Dog Harness

H0015P

Our Dog Harness is a well tested and proven design with updated materials, which is very popular with search and rescue dog handlers. The harness comes in two sections for ease of fitting and flexibility of use for the dog, with both sections being fully adjustable. The front body harness has a padded chest for comfort and agility, with separate detachable leg loops for additional security.

The harness can be winched from the main attachment point with or without the leg loops dependent upon size, shape and weight of dog.
