## Osprey Harness

H0016

The Osprey Harness is fitted with adjustable shoulder & chest straps for improved fit and comfort for the user. It can also be fitted with a front attachment Quick Clip (QC) buckle for easy donning and removal.

The Chest Harness has front loops for use with a Link Sling to keep the user in an upright sitting position when connected to the sit harness to give a full body harness format conforming to EN361. The Link Sling can be fitted and kept in position when used with the Osprey QC.

The Osprey QC has the option to be fitted with non-removable padding, comes with a detachable gear rack for hanging tools or light equipment, lanyard parking loops, and velcro tabs for securing lanyard legs.

The Osprey Chest Harness **MUST NOT** be used on it's own.
