

Product Data Sheet

Dynamic Adjustable Rope Lanyard

L0032 & L0033

Our Dynamic Adjustable Rope Lanyard is available in 2 options:

Dynamic Adjustable Rope Lanyard with galvanised steel buckle and 11.3mm dynamic rope, for situations where the length is less frequently adjusted.

Dynamic Easy Adjust Rope Lanyard with aluminium buckle and 11.3mm rope, which offers easier length adjustment.

Both options are ideal for high ropes courses and adventure parks.

Specs:

- Lanyard strength: 15kN
- 11.3mm dynamic rope
- Length variations available on request
- Note: These lanyards are must NOT be used for fall arrest

Conforms to:

- EN358:2018
