

Product Data Sheet

Easy Adjust Rope Lanyard

L0018AL

Made with low stretch rope and an aluminium slide buckle for easier adjustment, the Easy Adjust Rope Lanyard provides good abrasion protection, better grip and high dirt resistance.

This lanyard is ideal for work positioning and work restraint. It is also a favourite for high ropes courses and adventure parks.

Specs:

- Lanyard strength: 15kN
- 10.5mm, 11mm, or 12mm Low Stretch Rope
- Eye size and length variations available on request
- Note: These lanyards are not to be used for fall arrest

Conforms to:

- EN358:2018
